**EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Wiklof on 7/28/2005.

The application has been amended as follows:

In the claims:

40. (Currently Amended) A beam scanner, comprising: a plurality of light sources operable to emit a plurality of respective beams of light; and at least one beam deflector aligned to receive the plurality of beams of light from the plurality of light sources and operable to scan the beams in at least two dimensions including a fast scan axis and a slow scan axis across respective overlapping regions of a field of view, wherein the overlapping regions of the field of view are arranged such that each region extends along a dimension corresponding to the fast scan axis and overlaps with at least one region adjacent in a dimension corresponding to the slow scan axis.

Art Unit: 2872

Claim 49 has been canceled.

Claim 50, line 1, the phrase "claim 49" has been changed to --claim 40--.

#### ***Reasons for Allowance***

Claims 40-48, 50 and 51 are allowable for at least the reason that the prior art fails to teach or reasonably suggest the overlapping regions of the field of view being arranged such that each region extends along a dimension corresponding to the fast scan axis and overlaps with at least one region adjacent in a dimension corresponding to the slow scan axis as set forth in the claimed combination.

Claims 52-79 are allowable in view of Applicant's remarks in the Amendment filed 5/19/2005.

#### ***Conclusion***

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
